

# Introducing the Bimini Top ROCKET LAUNCHER

## The greatest bimini top accessory since shade!

Tough, durable and dependable, the Carver Bimini Top Rocket Launcher is great for trolling and rod storage. No more fumbling with rods while your bimini is deployed!

The same great quality construction as our bimini tops! Installs in minutes with our unique hinged jaw slides.

No need to disassemble your bimini frame!

Includes 5 rod holders, mounting braces and all necessary hardware.

Specifically designed to fit our quality frames, but fits virtually all 7/8" round tube tops.

## Easy to Order!

Simply order the width of your bimini frame!
