

CUSTOM-FIT T-TOP COVERS

FOR BOAT OWNERS WHO ARE SERIOUS ABOUT PROTECTING THEIR INVESTMENT

An alternative to our popular Dual Entry Hard Top (DEHT) cover, our new Custom-Fit covers provide the boat owner a simplified installation process in a self-vented, dual-entry cover that installs easily under the T-Top.

PRODUCT FEATURES

- ▶ A reinforced strap and buckle system supports the cover under the T-Top or Hard Top
- ▶ Marine-grade port and starboard side zippers provide accessibility to the boat while covered
- ▶ Cover is designed for use on trailer, boat lift or in dry stack with 1/4" heavy-duty rope and ratchet system to keep the cover secure
- ▶ Under-the-top design allows maximum ventilation reducing the risk of mold and mildew for reduced cleaning and maintenance
- ▶ Our pattern library includes popular brands such as Boston Whaler, Sea Hunt, Key West, Sportsman, Pioneer, Stingray, Carolina Skiff, Sea Chaser, Grady White and more! New custom patterns added weekly!
- ▶ Available in our most popular fabrics: Sun-DURA® & Premium 100% Solution Dyed Marine Acrylic - Sunbrella® or Outdura®
- ▶ Heavy duty boat cover tie-down kit (12 straps), rope ratchet and installation instructions included with each cover

Note:

For boats with a full windshield, eight suction cups are provided to create mounting points for the boat cover under the fiberglass T-Top.

Covers are designed for storage only.

Not recommended for trailering.

Sun-DURA®

*We reserve the right to provide Sunbrella® or Outdura® based on availability
