

Custom Fit PWC Covers

High performance protection in a custom Carver PWC cover.

We have introduced Custom PWC Covers made by Carver! These are available in addition to the Custom PWC covers made by Covercraft.

Product Details

Carver Custom-Fit Personal Watercraft covers are made specifically for a make and year-model boat, providing the best “glove-like” fit. The Custom-Fit PWC covers are excellent for travel* and storage. These premium custom-patterned PWC covers for newer personal watercraft models are designed and manufactured by Carver by Covercraft® in South Carolina and offer excellent protection against the elements with features that make the covers easy to use. Choose from two custom fit fabrics to help protect your PWC. Available in 9.25 oz. Premium 100% Solution Dyed Marine Acrylic utilizing either Sunbrella® or Outdura® and our exclusive Sun-DURA® material - a 7.6 oz. 100% Solution-Dyed Marine Polyester - both available in a wide selection of colors.

Features:

- **Made for newer model personal watercrafts** including Sea Doo, Yamaha and Kawasaki.
- **Designed with our heavy-duty 1/4" shock cord** sewn around entire hem for a snug fit.
- **Tie-down loops** sewn into the hem.
- **12 Tie-Down Straps** Included!
- **Gas Tank/Cap Access Flaps (zippered or hook-and-loop depending on model)**
 - *Available for MOST patterns. Some exceptions do apply.
- **Installation instructions** included.

* Trailerable PWC covers must be properly installed and tied down.
